

# What Drives People?

1/2 DAY WORKSHOP

Spark workplace transformation among your key employees. Participants of this accelerated, half-day workshop learn about themselves and those around them to instantly improve collaboration and engagement.

## Learning Objectives

*By the end of this workshop you will be able to:*

- Understand how your own behavioural pattern influences your workplace style.
- Understand the fundamentals of how PI patterns are constructed and decode workplace behaviour.
- Interact more effectively with colleagues with diverse drives, needs, and behaviours.

## Immediate Impact

- Increased productivity through enhanced self-awareness and collaboration
- Faster and more effective communication between individuals and teams
- Engaged employees sharing a common language and mutual behavioural understanding of their strengths and potential

## Expert Facilitators

This workshop is led by management consultants around the globe. Our facilitators are experts in PI science and practice. With an average of 20 years of business and consulting experience, they help you optimise business impact and performance.

“

This workshop helped me understand the behavioural drives of my staff and myself. I can now bridge gaps in communication, process, and training to drive better results for my employees and teams.”

Tom B., Operations Director  
Manufacturing
